

# Association for European Transport

# The leading European organisation for transport professionals

- International association with about 200 organisational, academic and individual members
- Members based in over 35 countries
- Participative organisation:  
an Association for its members by its members

# We bring together practitioners, researchers and policy makers

We understand and work with the entire transport community. Together, we explore and develop transport & mobility policy and best practice.

.....  
Academic research at universities

.....  
Practitioners from transport & mobility companies

.....  
Research and delivery by knowledge institutes (ie: DLR, TNO)

.....  
National policy makers

.....  
Consultancies and specialist advisers

.....  
Urban & regional policy makers

# Testimonials

Collaboration with AET has provided me with an excellent opportunity to expand my network with professionals from academia, industry, and government agencies at an international level.

**Dr Amin Rezaei,**  
AECOM,  
AET Ambassador  
for Ireland

In the AET, I have found people with a wide range of backgrounds who proactively contribute to the debate on the main and emerging issues of the transport sector.

**Fulvio Silvestri,**  
University of Rome  
Tor Vergata,  
AET Ambassador  
for Italy

At ETC, you can absorb the condensed knowledge about current transport problems and solutions among the best European specialists and in a friendly atmosphere. A really great platform!

**Dr Sabina Puławska-Obiedowska,**  
Cracow University of Technology,  
AET Ambassador for Poland

# An Association for its members by its members

Members are actively encouraged to be involved in the following groups:

- Members of the **Council** – guiding the future of AET
- Working groups – guiding specific themes of AET's work
- **Board** of Directors – responsible for delivering the aims of AET
- **Ambassadors** – supporting AET in their country of origin

# ETC: Our big meeting place

- For 49 years, AET has organised the European Transport Conference.
- Annually, the Association members appoint Programme Committees to select papers for our conference, ensuring that they meet the high professional standards for which ETC is known.
- The Committees consist of AET members from a broad range of specialities and professional sectors, providing a forum for networking and knowledge-sharing.

Find out more 

# AET Programme Committees shape ETC

Programme Committees cover all aspects in the transport community:

- Data
- Freight and Logistics
- Global Trends impacting Transport
- Intelligent Mobility - Management and Operation
- Local Public Transport
- Planning for Sustainable Land Use and Transport
- Rail Policy and Planning
- Transport Economics, Finance and Appraisal
- Transport Models
- Young Researchers' and Practitioners' Forum

Why not **join AET today** and get involved?
